

## OBJECTIVES OF EPPP

This course is specifically designed for international students who have met the academic requirements of their undergraduate programmes at UniMAP but need to fulfil the English Language competency that is required by the Malaysian Ministry of Education and universities.

The main objectives are to :-

- Further build English language skills amongst the students to attain the minimum score of Band 3 in the Malaysian University English Test (MUET) / Band 5 in IELTS / 550 in TOEFL.

- Guide students to acquire the effectual study habits and learning strategies that will enable them to become independent learners at higher institutions of learning.
- Expose the students to the technical and scientific terms in their subject areas.

### Cost

Processing Fee  
USD 32.00
